- The customized map size has an error rate of 0.5% due to artificial involvement in cutting. Each of the map's 4 sides has 1 cm blank area left for map mounting. Therefore, the map's picture size should minus 2 cm for both its length and height;
- Your company name will be, by default, added into the map;
- World LNG Plants Table** introduces each project's name, location (continent, nation), status, and consortium participants;
- World LNG Export and Import Database Table** introduces annual LNG export and import volume for world's 50 regions/nations.

Step 2: Select (☑) Other Services
