BOOKING PROCEDURE

1. Please refer to the associated **data samples** when filling this booking form;
2. After we received this form, we will send you the invoice which contains each selected items and total sum of your order, scheduled delivery time, the shipping fee as well as our banking account. The tailor-made project data service requires a minimum order of \$150;
3. Your order will be shipped within appointed days after payment is received.

PAYMENT

1. Payment via banking transfer or cash;
2. There is no stock available for onsite cash payment, because this type of research products is exported from our database upon your order and customizing demands.

TAILOR-MAKING PROCESS & DELIVERY TIME

1. Project data change fast so that people involvement is required during the tailor-making process to verify the frequently-changing variables;
2. Order with below 100 projects will be shipped within 5 days. 1 extra working day is required for each more 20 projects on this basis;
3. The order will be delivered by Microsoft Excel or Access format.

TIMELINESS & ERROR RATE

1. The data is effective for at least one year;
2. Due to the ever-changing project data, the error rate is set to be 10% and it will reflect in the 10% deduction from the total data fee in the invoice.

KEYWORD SCREENING SERVICE

1. You can use following keyword to screen out your desired projects:
Province/Basin: To choose project by selected province or basin;
Project Status: To choose project by whether it was commissioned. (A project will be listed as "commissioned" if it is expected to be in operation within 12 months)
Primary Stakeholder: To choose projects by name of a company with controlling project interest;
Secondary Stakeholder: To choose projects by name of a company which participates a project but without controlling interest;
2. If you choose the keyword screening service, please write a brief description about your keywords here:

Province/Basin: _____

Project Status: _____

Primary Stakeholder: _____

Secondary Stakeholder: _____

1. Each data group contains a couple of columns in the table. Please refer to the associated project data sample;
 2. Names of different companies may be translated to be the same by Chinese character spelling rules. Therefore, only Chinese edition is available for the "Stakeholder" and "Company Registered Information";
 3. Related maps with "✓" are available for purchase. You can add your ordered project data as a table into a related map. Please refer to the maps' introduction.
